# City of Brookings Municipal Utilities

## **Independent Auditor's Report**

Municipal Utilities Board  
City of Brookings Municipal Utilities  
Brookings, South Dakota

### **Report on the Financial Statements**

We have audited the accompanying statements of net assets of the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities, enterprise funds of the City of Brookings, South Dakota, as of December 31, 2012, and the related statements of revenues, expenses, and changes in net position, and cash flows for the year then ended, and the related notes to the fund financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities, enterprise funds of the City of Brookings, South Dakota, as of December 31, 2012, and the results of its operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated April 25, 2013 on our consideration of the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities' internal control over financial reporting and compliance.

**Other Matters**

As discussed in Note 1, the financial statements present only the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities, enterprise funds of the City of Brookings, South Dakota, and are not intended to present fairly the financial position of the City of Brookings, South Dakota, and the results of its operations, changes in net position, and cash flows of its proprietary fund types and nonexpendable trust funds in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 14 to the financial statements, the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities early implemented Governmental Accounting Standards Board Statement No. 65, *Items Previously Reported as Assets and Liabilities*. The net position of the related funds has been retroactively restated to account for the effect of this change.

City of Brookings Municipal Utilities  
Telephone Fund

CPAs & BUSINESS ADVISORS

## Independent Auditor's Report

Municipal Utilities Board  
City of Brookings Municipal Utilities Telephone Fund  
Brookings, South Dakota

We have audited the accompanying balance sheets of the City of Brookings Municipal Utilities Telephone Fund (an enterprise fund of the City of Brookings), as of December 31, 2011 and 2010 and the related statements of revenues, expenses and changes in fund equity and cash flows for the years then ended. These financial statements are the responsibility of the Fund's management. Our responsibility is to express an opinion on these statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 1, the financial statements present only the City of Brookings Municipal Utilities Telephone Fund, and do not purport to, and do not, present fairly the financial position of the City of Brookings, South Dakota as of December 31, 2011 and 2010, the changes in its financial position, or, where applicable, its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the City of Brookings Municipal Utilities Telephone Fund, as of December 31, 2011 and 2010, and the results of its operations, changes in fund equity and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 3, 2012 on our consideration of City of Brookings Municipal Utilities Telephone Fund's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audits.
